

Math in the Mail is FREE to families who qualify, and focuses on developing math skills in three-year-olds by providing the tools needed for parents, guardians, and other caregivers. By increasing pre-school aged math skills and confidence, Math in the Mail will help children gain the math knowledge that will help them have more positive and meaningful science, technology, engineering and math (STEM) learning experiences in the future.

The Math in the Mail packages will include

- Materials designed for hands-on play
- A book
- Ideas for hands-on activities using the provided materials
- Ideas for extension activities using items found in any home
- 'Tools for Talking', a guide on how to use the materials provided

To qualify, for the FREE option families must

- Live in Arenac, Bay, Clare, Gladwin, Gratiot, Isabella, Midland or Saginaw county
- Have a household income that is at or below 250% of the federal poverty guidelines.
- Have a three year old child in the household.

Children born ...	Begin receiving kits	Receive Last Kit
Sept. 1 2013 - Sept. 1, 2014	September 2017	June 2018
Sept. 1 2014 - Sept. 1, 2015	September 2018	June 2019

Also available by subscription for those who do not meet the eligibility criteria!
