

Deaf Mental Health Clinic at UMHS Dexter Health Center

We are pleased to announce the opening of the Deaf Mental Health Clinic at the University of Michigan Health System, Dexter Health Center!

Our social worker, Leslie Pertz, LMSW, NIC, is fluent in ASL, and has worked for 13 years as an interpreter. She can help Deaf, DeafBlind, and Hard of Hearing people with anything related to mental health, social support, education and resources, for both adults and children.

A social worker can help with stress, depression, anxiety, pregnancy support, grief, relationship/ family problems, as well as answer questions and provide resources related to insurance, SSI/SSDI, transportation, financial concerns, and additional Deaf mental health professionals.
